

Road Runner Motor Trade Road Risks Policy

Underwritten by AXA Insurance UK plc

Summary of Cover

Your Motor Trade Road Risks insurance policy is underwritten by AXA Insurance UK plc and is a commercial business insurance contract which may be renewed annually subject to your needs and our terms and conditions.

Who is this policy for?

- You must:
- Be actively operating a motor trade business for the purposes of selling, repairing, servicing or maintaining motor vehicles for your customers for income or profit;
 - Be operating your business on a full or part-time basis;
 - Be operating from business premises, from home or on a mobile basis;
 - Require Road Risks insurance for the movement of your customers' vehicles whilst in your custody or control for motor trade business purposes only. In addition we can provide cover for your own vehicles.

We may ask you to provide proof of trading at any time during the life of your policy. If you cease operating your motor trade business you will not be able to continue your motor trade road risks cover, solely for your own vehicles and separate insurance should be arranged.

Cover Available

The information in this document is a summary of the insurance provided for your chosen level of cover and the other levels available. Please speak with us if you want to change the level of cover provided. The specific cover you have selected is shown on your quotation, schedule, statement of fact, endorsement(s) and certificate of motor insurance.

There are three basic levels of cover to choose from, along with a range of optional covers you can select. The three basic covers are explained below, with the included and optional covers explained in more detail in the tables on the following pages. Your policy documents explain which options you have selected.

Third Party only - third party legal liability protection for accidental death or injury to other people or damage to other people's property you or any named drivers may cause including costs and expenses incurred.

Third Party Fire & Theft - fire and theft cover for vehicles and third party legal liability protection for accidental death or injury to other people or damage to other people's property you or any named drivers may cause including costs and expenses incurred.

Comprehensive - accidental damage, fire and theft cover for vehicles and third party legal liability protection for accidental death or injury to other people or damage to other people's property you or any named drivers may cause including costs and expenses incurred.

Please Note:

The following tables provide only a summary of the main policy benefits available and the significant terms and conditions applicable. Full details of the covers you have chosen are shown in your schedule, statement of fact, endorsement(s), certificate of motor insurance and the policy wording including details of vehicles insured, limits of indemnity, persons allowed to drive, limitations as to use and all the terms and conditions which apply.

You should read the policy wording, a copy of which will be provided either with this document or on completion of your contract or at any time on request.

Motor Insurance Database (MID)

The MID has been set up to record details of all insured vehicles. We would remind you that under the terms of the Fourth EU Motor Insurance Directive and the associated UK legislation you are legally required to provide the registration numbers of all vehicles and trade plates owned by you and in your custody or control and which are to be insured under your policy, for submission to the MID. You must promptly supply details of all licenced insured vehicles or trade plates to be insured on your policy and advise us when any licenced insured vehicles are sold or disposed of to meet your legal obligation as required by the relevant law applicable in Great Britain and Northern Ireland for entry on to the Motor Insurance Database

Failure to meet this obligation could mean that we refuse to deal with any claim or cancel your policy.

NB Immediate notification of your insured vehicles to the MID reduces the risk of you or your drivers being stopped and vehicles seized by the police who may believe no insurance is in force if vehicles have not been notified.

Claims Helpline: 0370 900 1753

Should you wish to make a claim under your policy please call our claims helpline as soon as possible. You must give us any information or help we ask for. You must not settle, reject, negotiate or agree to pay any claim without our written permission. Full details of how to claim are included in the policy document.

For glass claims where cover is applicable please call the AXA Glassline on 0800 206 1809

If you are paying by instalments, the full premium is due immediately in the event of a claim.
