---

## What is a combined policy?

A combined policy offers complete protection for your client's business, with compulsory covers including Material Damage, Public Liability, Road Risks, Engineering Insurance and Legal Expenses, with the option to also include additional covers like Employers' Liability, Business Interruption, Loss of MOT Licence, Money including Personal Assault and Wrongful Conversion, Terrorism, Goods in Transit, and Engineering Inspection.

### Who is Road Runner Plus targeted at?

Road Runner Plus is designed for motor traders who:

- Are engaged in service, repair and sales, plus other ancillary trades
- Trade from either one or two business premises in the UK
- Operate full-time only
- Have up to ten employees (employees, partners and directors)
- Are engaged in the same accepted trades as Road Runner\*

\*Excluding Valeting, Recovery & Collection/Delivery

### What's new with Road Runner Plus?

Road Runner Plus isn't new, but has had an upgrade.

Here's a summary of the enhancements:

- Single vehicle limit increased from £50,000 to £100,000
- Any driver covered for business use with "Option for any employee to drive for motor trade business purposes"
- New ventures with experience accepted
- Business employees' named drivers now accepted for SDP cover
- Portacabins and working from home risks accepted (subject to acceptance criteria)
- Protected no claims discount now available (subject to additional premium)
